

ACCOUNTABILITY COVENANT

As a member of this group of men who are seeking Christ without compromise I Covenant with each man in the group as follows:

- 1. My goal is to become like Jesus Christ therefore I am committed to be, do and act as Jesus would in all areas of my life without compromise.**
- 2. I will always remember that each of us is vulnerable to sin and by confessing my sins and continued fellowship with God we walk in victory.**
- 3. I will never discuss our specific struggles with anyone outside the group unless a crime has been committed or someone is in physical danger.**
- 4. I will never lie to a member of the group.**
- 5. I will always assume that everyone else in the group wants to hide their sin as much as I do mine. Because of that, I'm giving the other men permission in love to ask me specific questions about my behavior, questions that cannot be evaded. And they expect the same from me.**
