

ARMOURBEARER COMMITMENT AND DECLARATION

To: Pastor _____

Pastor,

I am called to be one of your Armourbearers.

I want to honour your passion, your unconditional love, your leadership values, vision, and power of example, your fathering and husband servant leadership benchmarks.

I know that our way of doing things will be different and I respect your calling, anointing, and flow and submit unconditionally to your authority.

I commit to "having your back", to seeking to knit our hearts together, to not argue or challenge you but to support and champion you; to flow with and in your vision and plan.

I am committed to make the advancement of you and your vision my most important goal.

I am committed to being a good follower that you can depend on to carry out your directives by:

- Writing everything down I will make sure you get exactly what you ordered.
- Completely understanding your directives and asking questions.
- Treating your orders as the highest priority.

I am committed to uphold, sustain, maintain, and defend you, being there for you in times of need or to lean on.

I am committed to rid myself of any trace of rebellion, strife, contention, competitiveness and unforgiveness.

I am committed to hiding 1 Peter 2:20 in my heart, to walk in love and be strong in the Lord.

I commit to represent you well before men, wherever I go, whatever I do.

I commit to minister courage and strength to you, to stay on task with you in your vision that God has given you, and to stay built up in the word of God.

I commit to trust God everyday for a spirit of meekness, humility, forgiveness, purity, and a clear conscience.

I commit to never hide anything from you and to be accountable for timely and accurate communication with you.

I commit to believe God for the understanding of how you think and how I am to flow with you in the spirit of understanding.

In Jesus name I declare these commitments and believe God for the ability to be your armourbearer with a "no matter what" climate of excellence and boldness until such time as I am released.

In His Service,

Armourbearer to Pastor _____
